Dear Sir or Madam,

We are a local supplier of projectors and projector lamps since 2002. We have lamps for all projector models, and can offer very good pricing. If you are looking to cut down lamp replacement costs without compromising projector performance and quality, I have the solution for you.

Equivalent lamps are now globally very popular, combining original bulb made by the main manufacturers with 3rd party tested cage, the result is the exact same lamp effect and duration with lower costs.

If you need to replace your projector lamps, please contact and let us know your projector model.

Thank you,
Bigshine Singapore
